

Meeting Agenda

Date: 2015-05-25

Facilitator: Erik

Participants: Emil, Rebecka, Hampus, Erik.

1. Objectives (5 min). Resolve any issues preventing the team to continue.

STAN still shows a lot of problems that needs fixing. There also is a problem with changing view in the level select when the user wants to see levels after level 6.

2. Reports (15 min) from previous meeting

Erik has implemented a volume control, togheter with Emil.

Hampus has not done any work over the weekend.

Rebecka has worked with the level select.

3. Discussion items (35 min)

We will move both Level and Menus to controller and only keep the rendering in View.

4. Outcomes and assignments (5 min)

Rebecka and Hampus will do tests.

Rebecka will try to fix the level select menu.

Erik and Emil will see if we can move the Level and Menu-classes to the Controller package.

5. Wrap up

Next meeting wednesday 27/5, 13:15.
