Date: 2015-05-18

Facilitator: Rebecka

Participants: Erik, Emil, Hampus & Rebecka

1. Objectives (5 min). Resolve any issues preventing the team to continue.

Erik has had problems with input controlls. Input does not work on levelSelector and switching keys, we will continue to try solve it.

2. Reports (15 min) from previous meeting

Hampus: Testing needs still be done and a reset button. He has created a settings menu.
Erik: Rebound buttons, works but need some more time.
Emil: Has done super classes for controller - view - and model.
Rebecka: Has done levelSelector menu.

3. Discussion items (35 min)

- the door should be opened when you take the key
- graphics
- paus menu
- tests
- MVC
- sound

4. Outcomes and assignments (5 min)

- Will start on graphics (Erik)
- Paus menu (restart, main menu, settings) (Erik)
- Tests should be done on thursday (Hampus and Rebecka)
- MVC for all enteties (all members)
- Sound (Emil)

5. Wrap up

Next meeting Thursday 2015-05-21.
